meet the speaker: ***Patrick Trueman**

In the administrations of Presidents Reagan and Bush I, Mr. Trueman served in the U.S. Dept. of Justice as Chief of the Child Exploitation and Obscenity Section (CEOS) in the Criminal Division. CEOS led federal prosecutions of child sexual exploitation and abuse, child pornography, and obscenity crimes. He also worked with the nation's 93 United States attorneys to coordinate federal prosecutions of major producers and distributors of child pornography and adult obscenity. Several of the largest pornography producers were put behind bars and their financial enterprises crippled. He currently serves as the President and CEO of Morality in Media.
